The Turning Times is published monthly as an information source for members of the East Texas Woodturners (ETW). ETW is a chapter of The American Association of Woodturners (AAW) and is committed to serving woodturners in the East Texas area surrounding Tyler, Texas. The ETW Chapter joins with the AAW in its dedication to providing education, information and organization to those interested in woodturning.

Meeting at TJC West

January 31th, 2009

The Prez Says:

Hello ET Turners,

This new year is off to a fast start and the pace will not slacken until we finish with the April meeting. Please don't forget the scheduled meeting January 31st and another on February 14th, then we get a little break until "Learn to Turn" day on March 21st and then another meeting on April 4th. After all of this, hopefully, we will be back to a second Saturday routine.

This year started off with **Norm Dixon** in the drivers seat for the first demo. I don't know how he has time to make all those gadgets and still get his beautiful turnings finished. (**Norm**, thanks for letting me interrupt your demo for a minute or two, and folks, I said that was my grandson, wrong, it was my first great-grandson.)

The January 31st meeting will have **Tom Crosby** demonstrating how to turn "Off Centered Potpourri Bowls", or was that off center **Tom** turning round potpourri bowls? Either way, it will be another great demo and I am looking forward to seeing it.

Mike DeLong has all the raffle items together for the entire year and we still

have some gift certificates on hand. The Steering Committee decided at our last meeting that we will have a random drawing for each meeting and give three (3) ten dollar (\$10.00) certificates to the winner. This will be for as long as we have gift certificates available. **Mike & Ed Huselin** will add line numbers to each member on the membership list and use a "random" selection program to pick 5 numbers. The first number will be the winner, if that member is not present, then we go to second number, etc.

We would like to see every member volunteer to help improve the club. This could be in helping with Setup and Clean up each meeting, being a "Greeter" to welcome visitors, help out **Steve Green** with the photography and do the photography when Steve goes on vacation, and on and on. I know three or four members have told me that due to health reasons or extreme driving distance, that it is hard for them to get to the meeting early as we have to be, or unable to help move all the stuff around. **Prez Says continued on page 2...**

WELCOME NEW MEMBERS

ETW had three new member signup at the January 10th meeting. Please welcome **Michael & Tannin Bertino** and **Warren Moore** to the club.

Jimmy Clewes Hands-On Classes

June 10, 11, 12, 2009

As noted in our January 10th club meeting, there are a few members who signed up for the Jimmy Clewes demo classes that have not sent in their payment. In that we have a significant number of alternates that would like to attend, your attention to sending the payment is requested.

If all currently scheduled three days are paid up and complete, we will try to schedule a fourth day for this group of alternates; however, the scheduled dates must be completely filled up prior to this.

It should also be noted that Mr. Clewes will be presenting a demonstration on our regular scheduled club date of June 13. This demo will be different than the subject matter covered in the Hands On days.

See you on the 31st.

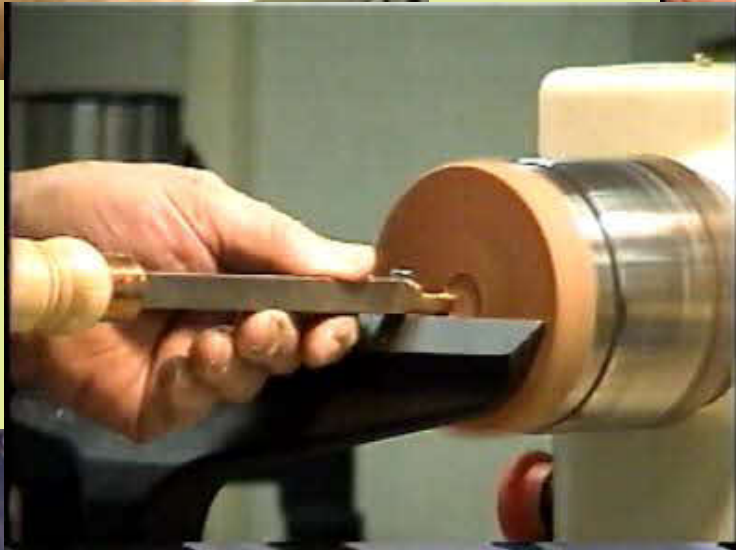

Ken Terrell

Editor's Note

Just a quick reminder that there are only two weeks between the January 31st and February 14th meetings. Therefore, the deadline for submissions to the newsletter preceding the February 14th meeting is January 31, 2009.

Empty Bowls Update

February is the final month to submit items for Empty Bowls. The silent auction and live auction dinner is scheduled for Saturday, March 28th at Marvin United Methodist Church in Tyler. In the past tickets have been in the range of \$25.00 per person for the dinner.

We are projecting a total of slightly over 200 items that we greatly appreciate. ETW members are to be congratulated on this civic project. If any of you have items to contribute, please bring them to either the January 31st or the February 14th meetings. They can also be brought to Ken Terrell no later than the last of February.

Again, thanks to all members who have taken the time to make this effort such a worthwhile cause.

Ken Terrell

Empty Bowls 2008-09

ETW had a very big month for its Empty Bowls project with 59 pieces submitted. This brings the total submissions to 161 from 22 donors..
