The Turning Times is published monthly as an information source for members of the East Texas Woodturners (ETW). ETW is a chapter of The American Association of Woodturners (AAW) and is committed to serving woodturners in the East Texas area surrounding Tyler, Texas. The ETW Chapter joins with the AAW in its dedication to providing education, information and organization to those interested in woodturning.

Meeting at Tyler Junior College

November, 2023

Prez says:

Greetings fellow woodturners. Hope you all are enjoying this cooler weather. Our next meeting is on Saturday November 11th which also happens to be Veterans Day, so let me say thank you for your service.

Our demonstrator this month is Brian Schrader. He will be demonstrating rotary carving. Brian was a member of our club until moving to the DFW area for work. He's recently retired and move closer to the Tyler area and its my hope that he will rejoin our merry band.

There will be a steering committee meeting after our regular meeting to discuss the upcoming move to our new meeting place. All who wish to attend can do so. Hope to see all of you Saturday.

Before I forget thanks to all of you that volunteered to help out at the craft fair at Bergfeld Park last month. We gave away about 300 tops to the kids and made about 300 dollars from our tip jar. Also several members had items for sale. It was a good weekend for the club and our members. We also handed out business cards and answered questions about our club. Hopefully we stirred up interest and we will have some new members at our next meeting.

See you at our next meeting and don't forget your show and tell items and Beads Of Courage boxes.

East Texas Woodturners Fact-Sheet

We meet once a month (usually on the second Saturday) at 9:00 AM at Tyler Junior College West, room 104. At our monthly meetings, there is a show and tell table, an open library (hundreds of DVDs and books), a raffle for tools and/or gift certificates, and a demonstration. Oh, yeah – there is always lots of discussion and opinions – don't be afraid to ask!

Please visit our web page at <http://www.easttexaswoodturners.org/> - also, find us on Facebook – look for East Texas Woodturners. Take a look at the “Mentor Program” on our web page to see contact information on mentors that will help you with turning situations. There is also information on ETW's vast library resources (see “Library”). And for dues information, click on “Membership Form”.

Also once a month (usually one week after our normal meeting), a lot of us gather at Paul Coppinger's shop in Mineola for MOST (Mineola Open Shop Turning). This is a come-and-go “hands-on” event, where you can turn on one of seven mini lathes, ask questions, or just watch. See “MOST Day” on the web page.

ETW participates in the “Beads of Courage” program – this is a national program where kids undergoing various medical procedures (usually cancer) are awarded beads for these procedures and need a container for their beads. See <http://www.beadsofcourage.org/> for additional information.

SWAT (Southwest Association of Turners) has an annual symposium in August – it is a 2-1/2 day event usually held in Waco at the convention center. The 2022 meeting had over 800 attendees, 32 vendors, a variety of demonstrations, and a gallery of beautiful turnings. ETW is responsible for the Art Gallery See <http://www.swaturners.org/> for more details and cost information.

Member discounts are available from several vendors – please ask the vendor if a discount is available. Please remember that most discount lists are usually updated only once a year, after the dues are collected in the Spring.

Have questions? See the Newsletter for club officer contact information.
